

SAN MATEO AVENUE WATER AND SEWER REPLACEMENT PROJECT

FREQUENTLY ASKED QUESTIONS (FAQ)

1. What is the overall scope of the project?

- a. The project will install approximately 1,800 feet of new 24-inch sewer pipeline and 2,200 feet of new 8-inch water pipeline. The construction of both water and sewer pipeline replacement work will be from intersection of San Mateo Avenue and Angus Avenue to San Mateo Avenue and El Camino Real. The project will replace aging and under-sized sewer pipelines to prevent future sanitary sewer overflows and meet the demands to support future developments within the City's downtown corridor. The new water pipeline will improve fire flow reliability and reduce pipeline leaks.

2. Where will the construction take place?

- a. The construction of both water and sewer pipeline replacement work will be along San Mateo Avenue from the intersection of San Mateo Avenue and Angus Avenue to San Mateo Avenue and El Camino Real.

3. When will the construction begin?

- a. The construction work is anticipated to begin on January 3, 2018.

4. When will the construction occur?

- a. Construction hours are limited from 8:00am to 5:00pm.

5. Will San Mateo Avenue be closed during the construction?

- a. San Mateo Avenue will be closed one block at a time to allow for traffic to continue to circulate. Closure to segments of San Mateo Avenue roadway will be from Angus Avenue to Sylvan Avenue, Sylvan Avenue to Jenevein Avenue and Jenevein Avenue to El Camino Real. After construction work each day, the contractor will reopen the roadway to allow for vehicle access. Detour signs will be posted to redirect traffic from entering the construction area.

6. Will parking be restricted along San Mateo Avenue?

- a. Parking will also be restricted within each segment where construction work will take place. However, after construction work each day, the contractor will reopen the roadway and allow for on-street parking during the evening and weekend hours.

7. Will the sidewalks be closed during construction?

- a. No, sidewalks will remain open for pedestrian access throughout the construction duration.

8. When will the construction be completed?

- a. The construction work is anticipated to be completed by June 2018 depending on weather.

9. Where can I obtain up to date project information?

- a. The project information will be posted on the City's website at www.sanbruno.ca.gov.
